Tribute Wall

“ I knew Lionel for over 40 years when I worked for the IL Pharmacists Ass'n. and when I later on founded a not for profit health organization.

In the mid-80's Lionel called and invited me to a luncheon at the Weston Hotel at which ex-president Jimmy Carter would be speaking. I never forgot the moment. Lionel was a soft-spoken, decent and most of all an honest man. Rest in Peace, Lionel.##imported-begin##Howard Mirsky, Pharm B.##imported-end##
