“ *We have lots of good memories of Lorrie from when we had a pinochle group a few years ago. She sure was a good player and knew her rules and regulations.*

We especially want to send sympathy to Paulette and her family. I know how much you will miss her.

“ To the family of Aunt Lorraine,

My heartfelt condolences on the passing of your beloved mother. I have very fond memories of Aunt Lorraine and appreciate how she always brought joy and fun to many activities. Her house was like a second home for me and she always provided loving encouragement. No doubt she left a mark on many lives with her generosity and sacrificial service to humanity. An example we can all look up to.

I'm sorry I cannot be present during this time of sorrow but please know that my thoughts and prayers are with you across the miles.

*Love,
Jeff Price*
