“ I'm Jeff. Lucille was my grandmother. I haven't seen her in 18 years since I moved to Florida. My grandpa was my idol. Never postpone telling your family you love them, you never know when life will end.

Lucy was a well loved aunt, always so good to me. I will miss her terribly but look foreword to spending eternity with her and the rest of the family that are no longer with us.

Please know that my heart, thoughts and prayers are with all of you. Your precious mom, grandma and great grandmother was also my very favorite aunt. No one had a laugh like hers! She was always such a heartwarming loving amazingly precious lady. I was honored to call her Aunt Lucy. As my dad, Lloyd Steinfort, and I shared when he told me of her passing, is that we believe that she and my mom, Barbara Steinfort, are chatting up a storm and will continue to do so until we all arrive. They have made it! and I can't wait to be there with them. Until then, know that I love you and I wish I could be there to share with you at this time of the celebration of my aunt Lucy's life. With hugs and prayers, Dawn Steinfort.
