“ *To the Fulsang family:
We share your sadness at the loss of Marian. She and Larry were good Parker classmates, and we enjoyed good times together, some of those in the planning of Parker Reunions. Marian had such a good sense of humor and smile, always interested in others and their lives.
We remember when she and Larry made the move from Chicago Heights to Plainfield and the great adjustment. Larry loved telling about Marian staying up all night watching beloved old movies in the beginning to help her settle in. They grew to love that home and shared it with us many times.
May God be your source of comfort, strength and loving memories in the days ahead.

“ *To the Fulsang family please accept my deepest sympathy, for I too know the pain and emptiness of losing someone in death. May you find comfort as I have in knowing that our Creator promised us that He (Almighty God) will swallow up death forever. (Isaiah 25:8)*

“ *Marian was a delightful neighbor in Saratoga Farms - she could find humor in so many things, including kitchen fires (a skillet got on fire), firemen running to save the situation - and a playpen which she kept filled with little folk. God bless you and keep you -- Dorothy Edison*
