“ Dear Mrs. Asher, and all the years I have been friends with your daughter, we never had a chance to meet. But I do know you must've been an absolutely wonderful woman because you raised such a wonderful daughter.

Sue, my heart is with you and always will be. Donna.

“ *Though I I'm only supposed to put one memory I'd like to share all my most favorite memories*

- 1. When we watch Jeopardy and shark tank together*
- 2. When she'd buy me all three General Mills monster-themed cereals around Halloween*
- 3. She saved box tops for me when I was in elementary school*
- 4. And making s'mores in the microwave while telling her wild imaginary stories*

Though I have more memories the list would be too long to read in one sitting

She was truly the best great grandma ever <3
