“ *My dear Aunt Marie. I just found this obit while searching for Larry or Shari or Geri and am so sorry years went by without any contact between families. My Mother Stella was your sister and spoke of you often. I remember you as being a very sweet, petite person that wanted her children to be safe and happy. I loved watching you Aunt Hattie and my Mom getting dressed up for some occasion. How wonderful you each looked and so very different. You gave me a small black cap once an(d I think I wore it to pieces. You are being missed. Judy Robbert (Kluczynski)*
