“ I recently read of your father's passing. I would like to extend my heartfelt sympathy to your family. I have many fond memories of your father. He was so very kind and good hearted.

*(My mother, Josephine, is now 87, and resides in an assisted living facility in Bridgeview, Il. She inquired about "guestbook" and asked me to send this on her behalf. It has been many years, however, i remember both of your parents with the fondest of memories).

“ Dear Cousins,
May You Find Peace and Comfort in Knowing that Uncle Mario is at rest now and there is no more suffering. It's so hard to lose your Parents. Uncle Mario lived a nice long life. I'll always have memories of him singing. He should of sung in the Opera! He had a beautiful voice and warm heart. I love you Uncle Mario!
