“ I just learned of Marvin’s passing. Our families knew each other because my Dad, Andrew Lahti, worked with Marvin. He too retired from the Rock Island Railroad/Metra after 42 years. They used to meet at the Tinley Park McDonalds, where I worked as a teenager, for coffee after they retired. He was a great friend to my Dad.

*He will be greatly missed. May you find comfort in the joyful memories your Family created during his time on Earth. God bless.*

“ I knew Marvin while he lived at Clare Oaks Retirement Community. He always treated me so kindly. He would sit and talk with me just like my Dad would. He was so very special ! He will be so missed!

“ *He was the glue that held our family together. He taught me the value of hard manual labor. Most importantly though, he had natural compassion that was unmistakable.*

*Watch over us Grampa, as we make our way to you. May God shine his light upon you and on all of us who mourn your depart. May you and Grandma (Dolores) be reunited this evening in joyful love & laughter. Also, please purchase a good bottle of bourbon up there and age it a few years - I look forward to having it with you.*

“ *First, let God's comfort and strength be with you the family.*

*I remember those outings at Pinehurst on Memorial weekend when all the men would sit around a "RADIO" and listen to the "500". Tony Bettenhausen was always the driver we pulled for, but never quite won the bottle of milk. God rest his soul.*

*Uncle Marv was a sweet gentle man and very special. He was Jerry's godfather and Jer loved him. They are together again and both safe in the arms of Jesus.*
