“ *Things we will remember about our friend, Marvin: loved his wife and family; loved the Cubs; loved Country Music; loved his church; loved farming; but, most of all cared/loved for those who were a part of his daily life. The "guys" group is getting smaller here on earth, but, growing in heaven! Being a proud Grandpa made his life circle complete as he and Barb adored this role in life. We will miss you when we all get together but I am sure that there will be a story or two about you from the past. Rest in peace!
We will miss you...Ron and Diane Hattendorf*

"P.S. Yes, Ron is honored to "carry you to your final home."

“ *I'll always remember back in the 70s talking to Marvin about blood pressures & being cub fans. Good memories! God's peace to the family.*
