“ Aunt Mare was such a kind and generous person. She is loved and will be missed dearly. I have fond memories as a child of getting cookies out of the cookie drawer in her kitchen and bottles of Coke out of the machine in the garage. I remember summer days playing golf with Uncle Vince and coming back to their house to see Aunt Mare cleaning cicoria in the backyard. We miss you and love you.

“ I have wonderful memories since I was a young girl, stopping in her kitchen to say hello on nearly a daily basis. She was always so beautiful and so very classy with a big kind heart and a strong love for her family. Now an angel above us with no more pain and confusion. Rest In Peace Aunt Mare as Uncle Vince wraps his loving arms around you❤️

I won't ever forget when on 1999 I moved to the US from Italy. It was supposed to be an easy move because, as a musician, I was hired in a very prestigious and remunerative gig in NYC. Everything, I mean everything went wrong and I found myself almost homeless, desperate and totally depressed working as a waiter in a sketchy Italian restaurant in Bay Ridge, near the Verrazzano bridge. I was making very little money and I touched the very bottom of my life. One day, without me having said anything to anybody, I was at the restaurant in the morning and Marie Louise & Vincenzo suddely appeared... I was shocked... I was even embarassed... They came with big smiles, bringing good energy and hope... They said they came to check if everything was OK... Only my parents could have done something like that... I wanted to cry... They even gave some money! Dear Marie Louise & Vincenzo you will always be in my heart and I want to tell everybody how great you have been to me! See you on the other side!

“ Mary Louise was my moms close friend and my godmother at birth. She was present throughout my years growing up. She was a classy lady. And she bought me beautiful unique gifts during special times. I will miss her. I have great memories of visiting with her and Vincenzo.
