“ Mary Its been a long time since I heard your wonderful laugh and gazed at your marvelous smile. You and your family were always a part of our life we will surely miss you yet surely never forget you. Mom was just telling a story about the two of you up in the attic playing a record on an old Victrola "I'm forever blowing bubbles". Then she talked about the time the two of you put on some sort of show for the kids in the neighborhood ...then they wanted their pennies back ...being good sports you did. Many memories endless laughs, genuine smiles and one thing for sure your's was one that no one could forget. God is going to Love you up there Mary ...We Most Certainly Did. Thank You for being a Friend, Big Sister, and an absolute pleasure to be around.
