“ I was shocked to hear of Mike's passing and of the death of Ann. I knew them through the SALT group with the Tinley Park Police. They were such wonderful people and well liked throughout the group. Mike with his jokes at each meeting and the thoughtful insight of Ann's. They will be truly missed. My prayers to their family.

“ *My Uncle Mike was a great man and when I was a little boy I wanted to be able to hit a baseball like him. As an adult I wanted to be a father, friend, leader and boss like my Uncle Mike. I cannot put into words how much I will miss you.*

“ *Going to miss all the jokes Mike always told. One thing about Mike when I worked with him downtown - he was the most accurate man I knew, he was never wrong. What info he gave was pure fact. Rest in peace, you were a pleasure to work with and a good man.*
