“ I have been three times in Minahasa Lagoon and I enjoyed aywlas every minute there. It is a great place for diving, make tours or just relax. Minahasa Lagoon is ideal to switch off from work and to refuel for daily working life. 2004 I startet diving there and since then I keep on going. Minahasa Lagoon has so many great and different dive sites to offer, for sure something for everybody. At home, I keep thinking of all the beautiful experiences I have made and aywlas look forward to my next visit to paradise!##imported-begin##Gayatri##imported-end##
