“ I'm so terribly sorry to hear about Mike. He, I, and Colleen were close in age and grew up in one another's homes, even after we moved to Mount Greenwood and his family moved to Blue Island, although that stopped being possible when we later moved to Indiana. I feel more like I am grieving a brother than a cousin.

How much worse your loss! My thoughts are with you and your family, Maureen, and please pass on my condolences to Sean and Colleen. You and we have lost a good man.

I'm afraid I won't be able to come for the funeral but I'll be there in spirit.

Love,

Maureen (Sue) Glasch Hawkins

“ This is such a shock - I messaged him to see how he was doing not very long ago and he said he was fine. I first met Mike when the Morrisseys moved to Oak Forest - we graduated from Forest Ridge and Bremen together. We had such a great time going back through all our antics at our F.R. 50th Reunion - and both agreed that our Confirmation pictures from Redeemer were soooooo dorky-looking! He was so proud of you all - we'd always said we needed to plan a cruise together since he enjoyed that as much as we do, and I always enjoyed getting his texts telling me of the next big sale! It's so hard to believe that he won't be there in September for our Bremen Reunion, but rest assured that he will be remembered! My heart goes out to all of his family, you will be in our prayers. I know he's with his folks and his cherished brother Jim.

“ my prayers and thoughts are with you. Mike was one of my fondest memories from high school and enjoyed visiting with him at the last reunion. He also sent me notes of strength during my own cancer battles. You will be missed. diane froio
