EC

Mike was always the kind and gentle "Teddy Bear" at our elementary school in the Village of Chicago Ridge.

I regret not being able to see him at all of our "8" grade class reunions. And I am sad that I will not be able to attend his funeral services.

I would love to meet his wife, and his children and share the fun we had with Mike when we were growing up in the "Ridge".

So long old buddy.

Your friend,

Errol (aka Earl) Crones
