“ Dad, I miss and love you so much and you were always so generous to me. I understand that you weren't able to play with me because you were so tired and sick. I will always remember your humor, your generosity and love. I will help take care of mom and I will try to always remember the things you wanted me to do. I will remember "dr. love" by kiss. Be safe in Heaven and you will be able to walk and run again. I wish you were here with me. I LOVE YOU Sean##imported-begin##Sean Mitchell Heffron##imported-end##
