“ To a wonderful, compassionate, caring woman, Grandma Studz, you will be missed! The memorial visitation was beautiful, all the pictures and video truly expressed how you felt, cared, and loved each and every person in them. Jeff, your words and testament to your mom touched every family member and friend that was there to celebrate your mom's life. I will always be grateful for all the help, time, energy, and love you gave to the boys and I while they were growing up. I believe you had a part in shaping them into the amazing men they have become, and I know you will always and forever be watching over them.

Love,
Tina, Jason, Brendon, and Ryan.

“ My family and I would like to personally thank each and everyone who attended my Mom's Memorial Visitation and Christian Memorial Service. We appreciate and thank Pastor Gordon Reif for officiating at the service and for his compassionate and comforting words. The abundant number of family, friends, neighbors and loved ones who attended is a testament to my Mom and her amazing legacy of infinite love to all! We would like to extend our heartfelt thankfulness and gratefulness to everyone who cared, touched, loved, and gave Mom an abundance of compassion and kindness. The video was a celebration of Mom's life and we have to thank Lelia Hirsh from Heartland Memorial for creating it. I'm sure so many of you saw your smiling faces on it too. The homelike atmosphere at Heartland Memorial by both Lelia and JC Hirsch was wonderful. and the way all the photos and personal items were very tastefully displayed would have made Mom smile. May God bless all your lives life with HIS hands of love and compassion.

We hope you all had an opportunity to all see our two little angels on earth Luke and Zach but we know that the great playroom provided downstairs was a difficult place to run away from!

A very special thank you to my Mom's sister Nancy and John who came in from Waverley, Tennessee and my brother Tim, Sue and Ashley from Garland, Texas who made the visitation memorial very special to all!

*Mom is now smiling down from heaven on each one of you as an angel of God. Our prayer is her legacy of infinite love, compassion and kindness goes on forever!
Abundant blessings, prayers and love to all!*

“ To the Studzinski family, I extend heartfelt condolences to all. I am not familiar with the family but would like to share a word of comfort at this time of sadness. From reading the condolences of your dear loved one, it shows that she was welled loved and will be missed. I have found comfort and joy in knowing that soon all the things that causes so much pain, suffering, and even death will be no more. Please read Revelation 21:4. Jesus Christ promised at John 5:28&29, that he will call all those asleep n the memorial tombs and they will hear his voice and come out. Yes, the promise of the resurrection is a reality that will be fulfilled here on a paradise earth. Acts 24:15 and Psalm 37:11, will warm our hearts to read and build confidence in .

“ I have so many fond memories of grandma. She was a such a hip grandma who loved her bright pink lip stick and fashionable purses. She was wonderful and I always enjoyed our time together. We always had a great time together and I will cherish those memories forever. I loved when we cooked Sunday dinners together and grandma made the BEST Southern fried chicken!!! I miss you grandma and smile thinking about all the good times and know you are too!!!

Love always and forever,
Monica

“ I have so many great memories of grandma, too many to list here! Holidays, sleepovers, pizza parties! I was so honored when she came to my wedding and she and grandpa won the Generations Dance and they had a moment in the spotlight together on the dance floor. The memory of her meeting my boys, her great-grandchildren, will always have a special place in my heart too. I miss you grandma, and I can already picture your smiling face up in Heaven!

Love,
Melissa

“ I remember going over to grandma's house every Christmas and having such a great time with all of the family being there. I will miss the moments the most where we were able to get everyone together and have a good time. I also remember grandma taking us to Ford City mall and to the movie theater where she break a trident piece of gum in half for us all the share :) She always had a smile on her face.

“ To Our Children, Grandchildren, Family, Friends and Neighbors – You have all been so wonderful during this difficult time! We appreciate your love and support. We are truly surrounded by love. The flowers, cards, emails, and meals really nourished our bodies and lifted our spirits. Our dearest children and their wonderful spouses... we love all of you so very much! And especially to our little loves Luke and Zach who always bring a smile to our faces. We are blessed to have all of you in our lives. Thank you for everything!

To the Smith Crossing Team, Passages Hospice, & the Hospice Dreams Staff -

My family and I are abundantly and infinitely grateful and thank to each and every one for all of your amazing care, love, kindness and compassion you have shown to my Mom during the past 8 years. Mom was always surrounded by her angels which were all of you... Carmen, Sarine, Cheryl, Frank , Joanna, Nancy, Stephanie, Sandra, Tina, Amy, Kriston, Kevin, Kathy, Brendon, Suzanne, Megan, Alyce, Mary Ann, Bonnie and to all the other caregivers whose names we may have forgot but smiling faces we will always remember we express our sincere gratitude. Mom's smiles and laughter were always present because of her great care, compassion and love from all of you. Our prayers and love for all of you will be forever!

We would also like to thank everyone involved from Smith Crossing, Passages, the Hospice Dreams Organization and McAllister Nursing Home who make the dream happen of reuniting Peggy and Steve for a final visit and it was touching to see how tirelessly you all worked to provide a precious memory. Thank you to the executive staff at both Smith Crossing and McAllister Nursing for your collaboration to make this happen. We have a great photo of them holding hands that we will treasure.

Our gratefulness also extends out to Dr. Tang who is not only an outstanding doctor but has become a dear friend. You gave Mom that extra care that helped her thrive even through the dementia. You always had time for that update call at the end of your long day.

We appreciated it! We also thank Dr. Marshall and Dr. Tillman who took great care of mom literally from top to bottom ... her dentist and foot doctor.

*To JC and Lelia Hirsch from Heartland-
You could not be better friends to us! From when we met you 8 years ago you have both been a blessing in our lives ... we thank you for handling all the details with compassion, grace and kindness.*

Mom leaves a legacy of love ...

*Love & Blessings,

It is my memory of my Mother for her kindness to all people. She had to raise three boys with that being a great task in itself. She was born in a small town in Booneville, North Carolina to a Baptist Minister. Mom moved to the big city of Chicago, Il where she met my Father Steve Studzinski at Stone Container and were married shortly after. I came along approximately 3 years later along with my Brother Jeff another 3 years and then Tim 10 years later...what were they thinking! A Baptist marrying a Catholic was not an easy thing back then.....but they were able to work though it so that all were happy. My Mother was the glue that kept everything together.....mostly family and with her illness she was unable to use her peace keeping skills. She will be missed deeply but never forgotten! I know in my heart that we will see each other again without sickness or weeping!! My Mom believed in God and I know was saved by his death ! Until we meet again Mother I am sad but also happy for you because the illness that held you for so long has been released! I will pray to God for your soul until then your oldest son Stevie!! Love you Mom!!
