“ I am so sorry to learn of Richards passing. I had the pleasure of working with him on the Illinois Hospital Association Constituency on Volunteers Task Force. He was such a wonderful gentleman to work with. We will miss him and all of his contributions to the organization. My deepest sympathy.

“ When I was hired by ATSF one of the first people I met was Dick, who just had a hair permanent. I remember thinking who is this guy! Dick and I laughed about this years later. Well, Dick became a dear friend. He could always be counted upon to get it done and done right. He's with Ray again and that is some comfort. You will be sorely missed, my friend.

God blesses you, Dick. Thank you for your friendship as a wonderful neighbor and active community member. Also, I will miss you and remember how we hugged, chatted and laughed when you were volunteering at Ingalls. Remember how we hugged the first time we saw each other at Ingalls and said, It's a small world! Neither of us realizing the Ingalls connection. You are the kindness, most thoughtful and gentle man. Some people bring out the best in others and that just seemed to come so natural and easy to you. I will miss you and your tenderness, until we meet again. Much thanks and love to a wonderful neighbor and friend. Rich and Pat Pacewic
