“ We have just now learned of Dr. Moutvic's passing from stumbling upon the Moutvic Family Story Walk at Peter Halligan Park in Crete, IL.

Dr Moutvic was a wonderful physician and human being. He delivered both of our children 36 and 31 years ago. We are sorry to hear of his passing, but know he is remembered fondly by many. Rest in peace Doctor.

“ I was the courier at Suburban Heights Medical Center for 22 years
and had numerous interactions with Dr. Moutvic. I found him to be a
salt-of-the-earth guy with a slew of impressive accomplishments. He
treated everybody in our building well and everybody in the building
loved and respected him. I'll always remember chatting with him
one day about Colorado. My wife and I are avid hikers and had
spent a lot of time there. As the conversation ended, he stunned me
by offering his condo in Steamboat Springs free of charge the next
time Liz and I visited the state. The unexpected offer was generous,
genuine and confirmed my high opinion of him.

*Mike-we were on the way to the condo to meet him for a week of skiing
the morning he died. He loved Steamboat and wanted everyone else to
enjoy. Maggie Moutvic-Wasz*

“ Sincere condolences to the Moutvic families. Had been my Dr at Suburban Heights until he retired. Always trusted his judgement. He was a very kind and considerate Doctor. He delivered by son 34 years ago and almost did my daughter 2 yrs later, but she decided to wait until he was on one of his ski trips to Steamboat Springs! His memory will live on to all who knew and loved him.
