Great friend with a heart of gold! Roberta and I spent many happy hours together on my patio with all our other friends. She always had a big smile and a cheery word for everyone.

So sorry to hear of Roberto's passing. We got to meet her at Yankee when we rented a trailer next to her. We spend a lot of time chatting, she was such a wonderful friend. Last year we were unable to go to Florida due to health issues, but I would call her and she would fill me in with all the news from Yankee. We had a lot of laughs today. We also got to meet her daughter Renee. RIP. Our beautiful friend

“ Still in shock and so sad for the loss of this vibrant friend. She so loved her cards and would call to ask "any cards tonight?" She so wanted me to go to the casino and will do so in her memory! I would pick her up for cards and she would be sitting by the door watching and when she saw the car lights peek around the corner she was out the door. Rest in peace dear friend, gone but never forgotten.

I am sending condolences to Roberta's family. I met her several years ago at Yankee Traveler Park in Largo, Florida because we sister Linda Aiton spends her winters there. I really enjoyed being with her. She had such a vibrant personality! I had so much fun with her when I visited Florida many times. I especially had such a great time with her on a Caribbean Cruise. We kept in touch on the phone and I will miss her and our many conversations. Lots of love sent to her family. Sincerely, Dolores(Fuzz) Whalen from New Brunswick Canada

“*My heart is broken that my dear friend has passed. I will miss her dearly. Roberta was an adventurous woman. We would go out to dinner in FL and wind up taking another hour ride around the town somewhere. She is the only person I know that takes a lunch to the casino because we stayed for hours on end. So many fond memories I will cherish. My sincere condolences to her entire family. RIP*
