

Ronald Allen DeFries Sr.

November 3, 1946 - March 21, 2020

Ronald Allen DeFries, Sr. What a zest for life! From skiing the black diamonds in Beaver Creek to walking the links at Flossmoor Country Club. He never missed a golf tournament or a re-run of “Rudy” on TV. Ronnie, a true Cubs fan, amusing those around him by yelling “Hot Dog” with the same inflection as a vendor. Oh! And watching Ronnie dance was like attending an “Italian Soul Train”. Ronnie moved from Flossmoor to the Gold Coast and thoroughly enjoyed city life walking the lake shore and even riding the bus! As many of his family and friends would say Ronnie would know the answer to the most obscure question, a true king of trivia. And please let us not forget the nightly Smirnoff with Kettle potato chips.

An amazing husband to Marilyn Lucas, a kind and gentle father to Alexandra, Ronald Jr., Dana and Josephine DeFries, and a loyal friend to anyone he held dear. Ronnie passed away March 21, 2020 quickly and peacefully.

His daily mantra: “I love my life, I love my wife and I love this place.”

Mass and memorial service pending pandemic. His last request, in lieu of flowers, donations be directed to the Leukemia & Lymphoma Society (lls.org) To sign guest book or for information visit heartlandmemorial.com or call (708) 444-2266.

“ So sorry to hear of the sudden passing of Ronnie. He was a friendly, happy person. A loving husband to Marilyn who was a devoted, loving wife. I will always remember him grilling on the roof. He loved cooking. He taught me how to use the gas grill. It sounds small, but it wasn't. I will miss Ronnie.

Terry thanks for taking a moment to remember Ron. He always commented on how you always had a smile and a kind word for all of your neighbors. You always took the time to say hello.

“ ALWAYS a pleasant "Help Kenny", then related conversation. Thank you, Ron

We occasionally talked golf but never played together - my loss. Maybe we'll meet someday at that golf course in the sky. You will be easy to find. Back tees - where the champions play from.

Danielle, it was always about the food. I know Ronnie would go to work the next day after I had prepared some unusual meal and describe it blow by blow. We expect nothing less from that crazy Italian. Thanks for sharing your thoughts. Please know that he died peacefully.

“ *Ron we met some 15 plus years ago when we were both starting our careers at Chicago Suburban Express and today I am now missing a person whom I considered a friend I know in life all good things must come to an end, and I know someday someone will be trying to find the words to say goodbye to me. So instead of saying that I will end this with “I’ll see ya later” Rest In Peace my friend. My condolences to the Defries family May God grant you all peace. “Marilyn, Charlotte and I are very saddened with Ronnie's passing. I had some of the best times traveling with him to Arkansa to play golf for the last fifteen years. Also Charlotte and I enjoyed having dinner with you and him at so many different restaurants from here to Chicago. I always liked going to your condo and walking in and Ronnie saying, "Cuz lets have a vodka" due to the fact we both drank the same brand then, "Cuz one more drink before we go". We will never forget the great times had laughing and the great food we all enjoyed. Ronnie from one cuz to another rest in peace.
