“ *Dear Larry, Tim and Rob, I was very sorry to hear about your father. He and your mother were very special friends to the Giles clan. I do hope to stop in to pay my respects if at all possible. Your father was and will always be one of my favorite people, as was your mother. The Larson clan are in our thoughts and prayers. We were blessed to have known your dad. Although I still blame your father for my becoming a Cub fan. Remember 1969? I watched many a great Cub games with you guys and your Dad. Even passed the blessing onto my son. He became a Cub fan with that grand slam by Ramirez in 2003. Being a Cub fan builds character. Hey! Hey! Go Cubbies!*

And thanks to Ron for the fantastic memories. Like I said, we were blessed to have known him. We'll not know his like again. Barry

I am very sorry for your loss. Ron helped me when I joined Kiwanis. He brought his lives experiences in making sure the club funded causes that were beneficial to those truly in need.
