“ Gina's eulogy was beautiful. We really enjoyed hearing the stories about Rudy's younger years laying bricks and about his dad. Thank you to the Father for a lovely service.

“ When Rudy served in Korea I was a young boy in Italy. Rudy's mother(a sister to my mother Italina) would send my mother the location where Rudy was during the Korean War). I was so proud of Rudy defending the country that I set up a wall map of Korea and put a pin where he was at any one time! I tracked him during the all time he served! Silvio
