“ *Dear Carol and family- I am so sorry for the loss of your mother. She was a very amazing woman. You did everything in the world for her and she was so proud of you and loved you so much. She more than touched my life. When we were growing up she was like a second mom to me. I have incredible memories of her that I will always cherish and hold in my heart. God bless all of you during this difficult time. I love you! Annette*
