“ I'm sorry to read of Sue's passing. She was a very sweet lady whom I haven't seen for many years. I worked with her at City Hall and she was always very nice. God Bless her family, please accept my condolences.

“ I have very fond memories of so many fun nights with Sue and the ladies from city hall playing Bingo. Well at least that's how it started out, it ended up being a food and drink night. Also many times going to the floating casinos, trying to count all her Christmas decorations, etc..Sue was a very fun, classy lady. She will be missed. Thoughts and prayers to the whole family.

“ Sincerest sympathy to all the Pages.. The fact all her sons, grandsons and even her great granddaughter was with her at the end is a testament to how much she was loved. God bless you all, and remember the good times.

“ *When I met Sue, one of the first times with my sister Debbie, we went in her back yard and she was laying out putting on mayo. She was funny, energetic and would not take any flack from anyone. I knew right away, she kept Geoff and Mark in line. That's how I will remember her.*

Our deepest sympathy, prayers and blessings our with Geoff, Debbie, Mark and all the Page family.

*Sending you all our love from South Carolina. God Bless You All!
Big Hugs.*
