“ Come thou my love, my lovely one, come.
Show me your face, Let me hear your voice.
For thy voice is sweet, and your face is
beautiful

My heart is overwhelmed with sadness, such a beautiful Mom and Grandmother of my children. The most perfect Grandmother ever who truly deeply loves my children and will continue to love and watch over them in heaven. Personally it took a lot for me to really know God exist one tiny prayer answered at a time and he will answer.

God shall open his gates wide for a beautiful woman who I still consider my mom and will forever. Heart of pure gold. I wish I had one more moment to tell her how much I cared, how grateful I will always be for being blessed to have her in my families life. One of a kind amazing human being. I loved her so much as do my boy's.

My love and heart goes out to all who loved her as I do and were touched by her gentle loving spirit. For her beloved husband, her children, my children and all who had the chance to know a truly wonderful lady.

Mom I am praying this moment with tears in my eyes. I love you and know you hear me. Just one more moment I wish we had.

You shall for ever be missed and always loved.

Your son Patrick and grandchildren one who will miss your ears tremendously Aidan Jeffrey Spears and Liam Casey Spears.

“ *Mrs. G was always kind, gracious and patient with me and all our friends who often dropped into her home in our younger days. She had great witt and a wise sense of humor. I will cherish many fond memories of discussions with her in her home. My deepest sympathies to the entire Goss family for their great loss of a wonderful mother and grandmother.*

“ *Though your smile is gone forever,
And your hand we can not touch,
We have so many memories,
Of the one we loved so much.
Your memory is our keepsake,
With which we'll never part.
God has you in his keeping,
We have you in our hearts.
Love
