“ *I am so sorry to hear that Tia Sylvia has passed away. I am going to miss her. She was always sending me old pictures, and I am going to miss that. And I will miss her letters. I am going to miss her great sense of humor. She will always be in our heart. Our prayers and condolences go out to all of the family who were affected by Tia Sylvia's passing. God has taken her to a better place where there is no more pain. May she R.I.P. May our Lord give you all the peace and comfort that you all will need during this difficult time. You will always be in our heart forever. Love you Larry, Audrey, Lucinda, L.T. and Lance Butcher*

“ I remember my aunt Sylvia always calling me chile when i was young child. I never knew why until she told me story. Apparently while my mom and her were sitting over coffee or something at the table, she had some chile peppers sitting there and was interrupting them while they were talking and aunt Sylvia finally gave one to shut me up...lol..she said i put it in my mouth and just looked them and started crying with my mouth opened wide :) The way my aunt would tell that story in her dramatic face expressions would crack me up. I laugh and think about her whenever I tell that story. Ever since then my nickname with her was chile. Aunt Sylvia. ..you will greatly missed not only by me but your entire family and everyone you have blessed to know. I love you and may your rest in internal peace with our heavenly father. God bless.
