“ *Growing up I always looked forward to visits with my favorite Aunt, Diana. We have taken many beach trips together, as well as mountain trips. She taught me how to cook her delicious spaghetti, and other great dishes. I will miss sitting up till the wee hours of the morning talking to her. I have always looked up to her, and respected her strength. My heart will be forever broken by her passing. I will always love and miss her!*

Love always,
