“ *Tom you will missed by so many. Your love and loyalty to your family and friends never went unnoticed. When ever you talked about Rachel, the smile on your face showed how much she means to you, and how proud you are to be her Daddy. The love you have for Melinda is the true meaning of what love should be. I talk in the present because I know you will always be here with them, watching over them, smiling down at them, laughing with them and always protecting them. Until we meet again my friend, know this, it was an honor to have you in our lifes and to be able to call you our friend.*
