“ Charlene,

I never thought of Tom passing away until just now. I'm a retired airline pilot working for a company under contract in Africa with the Department of Defense (a long way from the car lots, eh?). Wow.

Back in the early 80's, Tom took me under his wing. We worked at different dealerships beginning with Madden Ford, then Quality Toyota, then Westgate Lincoln Mercury, then Capitol Lincoln-Mercury, and I think even a stint at a dealership in Naperville. Tom was a great friend and mentor. Some of my fondest memories include our occasional trips to the Delta Lounge after work. Our friendship was solid, and we never so much as an argument.

He was one hell of a guy who always held his family most dear. It was a pleasure and a privilege to have known him.

Char, you and the kids have my families deepest sympathy and condolences.

“ *Offering sincere condolences for your loss. John 5:28,29 holds out the hope of a resurrection to those who have fallen asleep in death, and Revelation 21:4 states that the time will soon come when God will wipe away the tears and death will be no more. I hope this brings you a measure of comfort at this time.*

“*Tommy I will miss you! I miss the good ole days working with you. The boxes of baseball cards on your desk. You helping me where ever you could. I don't think I've driven so much since those days. You were a great friend and boss.*

*Char, lil Tommy, Amy, & Gracie. My prayers are with all of you.
God Bless you all in this time of sorrow.*
