“ *To the Mulkanoor family, I am sorry to read of the death of your dear loved one. Death is an enemy that leaves much pain and emptiness in our hearts. Our loving Creator promised to remove pain, sickness, and to put an end to death in the near future. This promise is written in the Holy Bible at Revelation 21:4. The love the Creator has for mankind is so great that he has made provisions to resurrect those who have fallen asleep in death. Yes, imagine Vijayageetha, and may more asleep in death we will be able to enjoy perfect life with on a perfect earth.(John 5:28 & 29 and Psalm 37:29)*
