“ I cherish the love shown and how special it was to have Auntie Wanda growing up; sharing wisdom and patience, teaching how to treat others, and bringing the extended family together as a unit. The family gatherings, whether a holiday celebration or backyard barbeque, taught me the value of helping to provide happy memories that last a lifetime.

Her influence will carry on through us as we strive to create an environment that fosters those lasting happy memories she provided for so many. The Shipley's; Lora, Garret, and Kevin offer our prayer's of strength to all celebrating her wonderful life.
